

TO: Board of Directors

FROM: Ruth Floyd, Executive Director of Business Services

SUBJECT: Bus Purchase Authorization

DATE: May 16, 2023

TYPE: Action Required

Kim Pedroza, Director of Transportation, recommends purchasing two type D trip buses from Bryson Sales and Service of Washington. As part of this transaction, we recommend surplus-ing via trade-in one bus from the current fleet, lowering the net cost of the purchase.

According to Board Policy 6210, purchases exceeding \$50,000 require school board approval. The State of Washington provides reimbursement for most of the purchase cost in the form of annual depreciation payments. Below is a summary of the attached detailed quote:

2-78 passenger, new Bluebird Type D rear-engine diesel trip buses, cost \$399,240.00 less trade in of \$1,400.00 plus tax \$35,407.76, for a total of \$433,247.76.

All "yellow" school buses will be purchased with Transportation Vehicle Fund resources that are restricted for this purpose. The cost for school buses is set through a statewide bidding process supervised by OSPI. One fully depreciated bus from the current fleet will be surplus-ed when the new vehicles arrive.

The estimated delivery date is approximately 17 months from the order date. Although the purchase order will be issued this year, the bus is expected to arrive in the 2024-25 fiscal year.

Recommendation:

We recommend the board **approve the purchase of two Type D school trip buses from Bryson Sales and Service of Washington for a total estimated cost of \$433,247.76**

Bryson Sales & Service of Washington, Inc.
